PUBLIC SEWER EXTENSION AGREEMENT

THIS AGREEMENT, made this \_\_\_\_\_ day of \_\_\_\_\_, 2000, by and between T & S Associates, Inc., and Wiltshire, Inc., hereinafter referred to as the "Developers", and THE COUNTY OF YORK, Virginia, a political subdivision of the Commonwealth of Virginia, hereinafter referred to as the "County".

W I T N E S S E T H:

WHEREAS, the Developers are the owners of certain parcels of land located in the County, hereinafter referred to as the "Properties", which are proposed to be developed by the Developers into projects known as "The Greener Side", and "DMJ Trucking" which the Developers have caused development plans, which show the design and specifications for certain public sewer improvements to be constructed as part of the project, which plans are entitled "DMJ Trucking and Green Guard Landscaping" and "The Greener Side, Wiltshire, Inc. Off-Site Gravity Sanitary Sewer ", both plans prepared by Mitchell-Wilson Associates, P.C., and are on file in the Department of Environmental and Development Services (hereinafter referred to as the "Plans"); and

WHEREAS, as part of the development of the Developer's projects, the developers will submit an application for a Certificate to Construct Sanitary Sewer Facilities and have requested that the County enter into this agreement, in order to permit the Developers to construct an extension of the County's public sewer system, hereinafter referred to as the "Sewer Facilities", to serve the properties and

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That for and in consideration of the premises, the issuance of the proper permits, the payment of the connection and other fees by the Developer, and the covenants and agreements set out herein, the Developer and County agree as follows:

1. The County hereby agrees to permit the Developer to construct, without cost to the County, the Sewer Facilities, to the satisfaction of the County, in accordance with the Plan referenced above, the provisions of Chapter 18.1, Sewage Disposal

---

and Sewers, York County Code, the County's Sanitary Sewer Standards and Specifications, and the regulations of all other governmental agencies having jurisdiction over such facilities.

2. The Developer shall pay to the County the following fees:

- a. Inspection fees in the amount of \$225.00 (\$225 base fee only) as required by § 18.1-52, York County Code, to be paid prior to issuance of a Certificate to Construct.
- b. Connection fees in the total amount of \$5,050.00 as determined in accordance with § 18.1-64(a) and § 18.1-65(a) of the York County Code (Greener Side sewer connection fee based on a 5/8" water meter is \$1,875, DMJ Trucking sewer connection fee based on a 3/4" water meter is \$3,175).

3. Upon completion of the construction of the Sewer Facilities, and approval and acceptance of such facilities by the County, pursuant to the procedures set out in the County's Sanitary Sewer Standards and Specifications, the Sewer Facilities as shown on the "Plans" shall become the property of the County and the County shall operate and maintain the facilities.

4. All contractors utilized by the Developers in installing the Sewer Facilities shall be approved by the County prior to issuance of a Certificate to Construct Sewer Facilities.

5. Developers agree to indemnify, protect and save harmless the County, its officers, agents, and employees, from and against all losses and damage to property and bodily injury or death to any person or persons, which may arise out of or be caused by the construction, maintenance and presence of the Sewer Facilities, to the extent of the insurance policy referenced in the certificate of liability insurance attached hereto as Exhibit "A", until such time as accepted by the County.

6. To ensure the indemnification of the County against any liability arising out of the construction of the Sewer Facilities by the Developers, there is attached hereto a certificate of public liability insurance in the amount of \$1,000,000 for bodily

injury and \$500,000 for property damage, including underground property, per occurrence, or insurance of equivalent coverage as approved by the County as being sufficient. The certificate shall include a governmental endorsement thereto naming the County, its officers, agents, and employees, as an additional insured, issued by an insurance company licensed to do business in the Commonwealth of Virginia. Such insurance shall include Worker's Compensation and Employer's Liability as follows: Coverage A - Statutory Requirement; Coverage B - \$100,000 per occurrence; Coverage C - \$100,000/\$100,000 Accident and/or Disease. If vehicles are to be used on County-owned property, the insurance shall include comprehensive automobile liability, including owned, non-owned and hired car coverage in the amount of \$500,000 per occurrence bodily injury, and \$100,000 property damage. Lapse, cancellation or termination in any manner of coverage prior to completion and acceptance of the Sewer Facilities shall constitute a violation of this Agreement.

7. No permits to begin construction, including the Certificate to Construct Sanitary Sewer Facilities, will be issued by the County prior to execution of this Agreement.

8. It is mutually understood and agreed that approval of the plans shall not, by such approval alone, be deemed to be an acceptance by the County or other applicable agency of any sewer or other physical improvements shown on the Plans for maintenance, repair or operation thereof, and that the Developers shall be fully responsible therefor and assume all of the risks and liabilities therefor, until such time as the County or other applicable agency has formally accepted them. Upon acceptance of any of the improvements to be dedicated to the County, Developers agree to execute a maintenance and indemnifying bond, guaranteeing the materials and workmanship of the improvements for one year, which bond shall be executed by corporate surety.

9. Developers agree to enter into a Grinder Pump Agreement with the County, which agreement shall address applicable fees as well as the responsibilities of maintenance and operation of the

low-pressure pump system, which is a part of the approved Plans.

10. This agreement shall be binding upon the Developers and the Developer's successors and assigns.
